

# **SCHINASI**

**INSURANCE BROKERS**

# WHO WE ARE

**Schinasi Insurance Brokers** is one of the most long-lasting, stable and independent insurance broker company in Italy, projected towards a future of new projects.

Every project has the goal to support our clients' business with care and precision.

Since 1967 we offer high standards in the risks management and treatment, ensuring the insurance coverages' optimization according to our clients' protection's needs.

# WHY CHOOSE SCHINASI?

## For us the **clients are the main focus.**

This means care for their needs, readiness in providing support and assistance. Our company's operational and strategic choices are in continuous evolution in order to be in line with the times and satisfy our clients' needs.

## **Reliability is essential.**

To be a reliable partner gives to our clients and the market professionals the assurance to have a skilled and expert advisor always updated on the most recent insurance market's developments.

**Schinasi's skilled staff** have developed a deep knowledge in the field and a systematic approach to the best risks mitigation, with both insurance, and risk management solutions.

These **strengths** give our clients a **double benefit:**

- The peace of mind of **relying on a professional team** for their risks management;
- The opportunity to dedicate **more time and resources to their core business.**

# OUR SERVICES

We have always focused on the business community, from small and medium-sized enterprises to large corporations in every industry. Schinasi dedicates to all clients its professional skills, which includes:

- ✔ Risks assessment, analysis and identification
