

Flour and cereals production complex

«WHITE» LLC
www.vait.in.ua

Proposed land plot in an industrial area of Kryvyi Rih, for the construction of a complex for the production of flour-and-cereal products. The area has a favorable logistics infrastructure - access roads, as well as railroad tracks at a distance of less than 1 km.

Project goals

- production of quality flour and cereals for domestic and foreign markets;
- use of the logistics potential of the Grekovataya railway station;
- development of the agro-industrial complex sector in order to increase tax revenues to the budget;
- creation of additional jobs;
- attraction of capacities of local enterprises to the project of construction of the complex.

The land meets all the criteria for the establishment of modern agro-industrial enterprises and full-service terminals.

The distance to the nearest residential buildings is more than 400 meters.

Economic indicators of the project

Economic indicators are calculated by the investor depending on the construction project of the flour and cereals complex

Flour and cereals production complex (Kryvorizky district)

Technical parameters of the project

Characteristics of the land plot:

- **area:** 15.317 ha;
- **intended purpose:** complex of non-residential buildings and structures;
- **cadastral number:** 1211000000:07:519:0007;
- **leaseholder:** communal property.
- **Engineering infrastructure:**
- **Water supply/drainage** - none, there is a possibility of connection at a distance of less than 1 km;
- **Gas supply** - no, there is a possibility of connection at a distance of less than 1 km;
- **Electricity** - at a distance of \approx 3 km there is a substation "№3" 35/6 with a rated capacity of 2x6300 kVA.

Mechanisms for cooperation

- Sale of corporate rights
- **Logistics infrastructure:**
- distance to the road of territorial importance T1215 - 14,5 km;
- distance to the road of regional importance R74 - 15,5 km;
- distance to the road of national importance H23 - 14,8 km;
- Distance to the international airport "Kryvyi Rih" - 19,5 km;
- м. Dnipro - 160 km;
- м. Nikopol - 133 km;
- м. Zaporizhzhia - 211 km.
- **Neighboring areas:**
Promhydrotechstroy LLC, Myrivka plant of armed concrete structures, railway station Grekuvata.

Project Location: Dnipropetrovsk region, Kryvorizka TC
