

STAINLESS STEEL

Technical Service

Kemper technical assistance is always available to suggest the optimal application for the products

Research and laboratory

Kemper continuous research for innovative and environment safe solutions gives the opportunity to propose solutions suitable for the constant technological progress

Quality Management

Kemper Quality Management System is certified ISO 9001

PICKLING

Metaldec Liquid	Pickling by immersion
Metaldec gel – gel P	Pickling Gel for welding with different degrees of finishing
Metaldec Pasta	Weld remover
Metaldec Inox P	Passivating agent for stainless steel

COOLANTS

Lubro Semisint BS	Colorless and odorless synthetic lubricant
Lubro Semisint Q	Multi-functional semi-synthetic, even for hard water
Lubro Min	Mineral lubricant
Lubro Draw	Lubricant for deep drawing

WATER DILUTABLE DETERGENTS AND DEGREASERS

Derkemp CH	2-6 %	Multi-purpose detergent
Derkemp Mat G	1-5%	Low foam detergent for spray washes
Dermat 110	3-7%	Non-caustic degreasing detergent

SOLVENT DEGREASERS

Kempersolv 24	Solvent. Specification AER-M-P-073 E (Type 2)
Kempersolv 42	Solvent. specification MIL PRF-680A (Type 1)
Kempersolv 60	Odorless solvent with controlled evaporation. Specification MIL PRF-680A (Type 2)
Kempersolv PM	Synthetic solvent free from hazard labeling

FINISHING PRODUCTS

Metaldec Acc	Brightening action polish for stainless steel.
Format Rapid	Non-residual ready to use detergent with high degreasing power for finishing cleaning
Fomat Inox	Glossing product available both loose and spray.
D-OX 70	Acid detergent, degreases, brightens and makes surfaces uniform.

ANTI-ADHESIVE FOR WELDING

Weld	Concentrate anti-adhesive for welding, soluble in water free of silicones and solvents
Weld Ready	Ready to use anti-adhesive for welding, free of silicones and solvents
Weld spray	Aerosol version for anti-adhesive for welding, non-flammable
Weld ceramic spray	High strength anti-adhesive for MIG / MAG welding torches
Bisolfilm spray	Anti-adhesive based on bisulphide for MIG / MAG welding torches
